

# Limited Visitation During COVID-19 Pandemic

Visitation is limited to all areas in order to decrease the spread of COVID-19  
1 visitor is allowed in inpatient area – 1 companion is allowed in outpatient area

Visitors & companions must be screened prior to entering clinical area

Visitors & companions must be at least 16 years old and no more than 60 years old

Older adults, especially those with serious chronic medical conditions are at an increased risk of getting very sick if infected with COVID-19.

People who are not showing symptoms of COVID-19 may still be infected and can spread the virus to others.

Children are likely to not show symptoms of COVID-19 and present a high risk of spreading the virus to others.

Thank you for your patience and allowing us to protect everyone from COVID-19
